

Friends make the pieces fall into place.

Become a friend of the Schuylkill Valley Community Library and help the pieces of our library's puzzle fall into place.

Friends meet the third Tuesday of each month at 7:00pm to plan activities that help promote the library and its services.

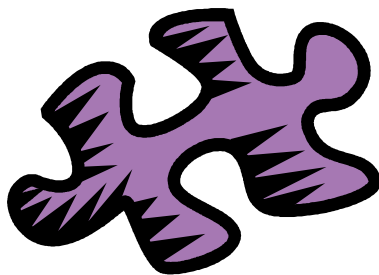

Our October 19th meeting will be a special wine and cheese meet and greet for new members!

These activities help share your love of books and learning and create lasting ties with the community members while helping secure funds the library needs to continue to thrive and meet the growing needs of the community.

Activities include:

- *fundraisers
- *book sales
- *golf tournament
- *basket bingo
- *and much more

If you're interested in putting together the SVCL puzzle, contact Patricia Lowry, library director, at 610.926.1555 or at svcl@berks.lib.pa.us.
